

FACES *of the* **FUTURE**

2025-26 | **CMSD** Academic Calendar

Welcome to the **2025-26 SCHOOL YEAR!**

As we embark on our new academic journey, we are proud of the progress we are making in *Building Brighter Futures*, our ambitious endeavor to right-size the District and provide a high-quality and equitable education for all our scholars. As you explore this calendar and plan for the school year ahead, we invite you to join us on this exciting journey. At the end of the *Building Brighter Futures*, CMSD will be able to ensure that every student has access to more and better academic and extracurricular opportunities, and that every school building is warm, safe, and dry.

Our Faces of the Future show that nothing is impossible when it comes to our students' pathway to progress and success. We are significantly improving our overall student experience and outcomes while we work to ensure long-term financial sustainability. With your help, we know we will succeed!

Familiarize yourself with our Goals and Guardrails and CMSD's Core Values, which are at the heart of everything we are doing in the district.

Thank you for being a part of the CMSD family and helping us Build Brighter Futures for the years to come.

FACES of the 
FUTURE

To CMSD Families, Friends and Supporters:

It is my pleasure to welcome you to another exciting academic year at CMSD! As we continue to spotlight the **Faces of CMSD**, we are proud to celebrate the incredible talents, passions, and achievements of our scholars across the district.

From competing on award-winning robotics teams to growing hydroponic lettuce in our school gardens performing in powerful theatrical productions, our students are thriving in environments that nurture curiosity, creativity, and confidence. Throughout this calendar, you'll find vibrant photos that showcase the **Faces of CMSD**, real students, real stories, and real success. These are the moments that make learning meaningful and memorable.

This academic year marks the beginning of many transformations, as we launch our uniform calendar across nearly all District schools. This is a key step in aligning our schools and resources to best serve all students, ensuring consistency and equity in learning time and opportunities.

Dr. Warren G. Morgan II
Chief Executive Officer

“We believe that every scholar deserves the opportunity to explore, grow, and shine. That’s why Building Brighter Futures is more than a campaign; it’s a promise.”

Our CMSD Executive Leadership Team, in collaboration with our School Board, has developed clear Goals and Guardrails to guide our progress and ensure that every decision we make supports student success.

We believe that every scholar deserves the opportunity to explore, grow, and shine. That’s why **Building Brighter Futures** is more than a campaign; it’s a promise. A promise to provide every student with the tools, experiences, and support they need to thrive. That is why we need your input to make these decisions together. Your voice matters.

Thank you for your continued partnership and support. Together, we are shaping a future full of possibilities for every child, in every classroom, every day.

Sincerely,

Dr. Warren G. Morgan II
CEO, Cleveland Metropolitan School District

Board of Education

The CMSD Board of Education is made up of nine voting members appointed by the Mayor of Cleveland from a slate of nominees selected by a local nominating panel, established under State law. GOALS & Guardrails

GOALS

THE GOALS are designed to directly impact what students *know and can do*, guiding our focus toward tangible, measurable academic outcomes.

GOAL 1 – Early Literacy: The percentage of 3rd graders who are proficient in ELA will increase from 35% in August 2024 to 60% by August 2030.

GOAL 2 – Math Proficiency: The percentage of first time test takers who are proficient in Algebra 1 will increase from 26% in August 2024 to 50% by August 2030.

GOAL 3 – College/Career Readiness: The percentage of graduating cohort who meet at least one college ready indicator — ACT/SAT College Ready, Honors Diploma, AP/IB College Ready, or 12+ college credits — will increase from 8.2% in August 2024 to 25% by August 2030.

GUARDRAILS

THE GUARDRAILS describe the non-negotiable values the school system must honor while allowing freedom to pursue the goals.

GUARDRAIL 1 – Safety/Well-Being: The CEO shall not fail to promote safety within CMSD facilities, along with physical and mental well-being for all students.

GUARDRAIL 2 – Opportunity & Access: The CEO shall not implement an academic program that fails to provide access to artistic, athletic, and career preparation opportunities for all students.

GUARDRAIL 3 – Community Engagement: The CEO shall not make significant changes to the operation of the district without meaningful ways for the community to provide input.

Strategic Priorities

Core Values

EQUITY & INCLUSION

STUDENT & COMMUNITY FOCUSED

GROWTH & LEARNING

CARE & WELL-BEING

EXCELLENCE & ACHIEVEMENT

Building **Brighter** FUTURES

PATHWAY TO SUSTAINABLE STUDENT SUCCESS

CMSD is investing in our schools to **Build Brighter Futures** for ALL scholars!

CMSD's long-term facilities planning process – known as **Building Brighter Futures** – enables the community to strategically invest in our schools, ensuring access to high-quality education in buildings fit for our scholars.

With Building Brighter Futures:

- EVERY CMSD high school offers college credit and pathways connected to good jobs.
- ALL K-8 schools offer at least one additional class like band, choir, or computer science.
- MORE athletics and clubs will be available at all schools, such as basketball, chess, or robotics.
- 100% of students learn in warm, safe, and dry buildings.
- Wraparound supports continue at EVERY school, with a focus on mental and physical health.

SPORTS & EXTRACURRICULAR ACTIVITIES

Enhance the School Experience

Participation in interscholastic and extracurricular activities has a direct, positive impact on a student's academic performance, attendance and personal and social development.

CMSD students in grades 1-12 have access to a host of clubs, competitive sports and extracurricular field trips to meet the diverse interests of every child.

Explore your school's athletic and student activity offerings to maximize your child's academic experience.

Hydroponic Harvest

Dike School of the Arts

First graders celebrated their first hydroponic lettuce harvest! With guidance from FoodCorps and Fork Farms, students explored teamwork, healthy eating, and the joy of growing their own food. Dike is one of 14 schools across the district now operating hydroponic systems. Congresswoman Shontel Brown (OH-11) and Cleveland City Councilmember Richard Starr (Ward 5) joined the celebration, presenting awards and witnessing the students' first successful harvest.

Bringing Vision to Life

Whitney M. Young PreK-8 School

Thanks to a \$50,000 grant from the Cavaliers Community Foundation and Kaulig Giving, nearly a dozen scholars received free eye exams and glasses. Through the Vision to Learn initiative, over 300 CMSD scholars will benefit from free vision screenings and glasses.

Healthcare Exploration at Cleveland Clinic

Almira PreK-8 School

Scholars from Almira explored careers in healthcare during an immersive visit to the Cleveland Clinic. They rotated through simulation stations where they practiced drawing blood, learned how to STOP THE BLEED, dressed for surgery, and even tried minor surgical procedures. This hands-on experience brought healthcare careers to life and sparked curiosity among future medical professionals.

Tuskegee Airmen Portrait Exhibition

Cleveland School of the Arts

Scholars at the Cleveland School of the Arts honored local Tuskegee Airmen through a powerful portrait project. After weeks of research at the Western Reserve Historical Society Library, students painted portraits that were later showcased at the school. The portraits will also be on display at other locations throughout the city, including the Justice Center. The project is part of the Cleveland Heroes Project in partnership with the North Coast Chapter of Tuskegee Airmen Inc.

Cooking Up Careers: Pathways to Success

The Executive Grille at East Technical High School

Scholars in the Cleveland Culinary Arts Program at East Technical High School gain hands-on experience through a three-year curriculum, running both front and back-of-house stations at student-run The Executive Grille. Students build skills in culinary techniques, customer service, safety, sanitation, leadership, and event planning while in high school and will prepare to enter the workforce or culinary school after graduation. Originally launched in 1998, The Executive Grille moved to its current location in 2023, transforming East Tech's former pool into a vibrant, student-run restaurant.

CEO for a Day

Victorious, a bright scholar from AB Hart, stepped into the spotlight when she became CEO for a Day. With CEO Dr. Warren Morgan by her side, she attended meetings with the Student Advisory Committee and principals and gained a firsthand look at leadership in action.

When asked about her experience, she smiled and said, “It was cool, but there were lots of meetings.”

Future Healthcare Leaders

Lincoln-West School of Science and Health

Scholars from Lincoln-West proudly don their white coats during the annual White Coat Ceremony, celebrating their commitment to healthcare. As one of the first high schools located within a hospital, this pioneering program, in partnership with the MetroHealth System, immerses students in real-world learning through both on-campus and community-based experiences in science, health, and medicine. With pathways from patient care to IT, marketing, and engineering, students are empowered to shape their futures and uplift their communities.

Curtain Up! Celebrating Young Talent Across the District

Campus International PreK-8 School

Campus International PreK-8 School scholars made waves with a joyful and creative production of *Finding Nemo*, capturing the heart of Disney Musicals in Schools. They were one of ten schools across the district that brought Disney stories to life.

Adding to the excitement, **All-City Arts** delivered a show-stopping rendition of *Chicago: The Teen Edition*. Each year, this program brings Broadway to our students, and this year's production was nothing short of spectacular.

CMSD Middle School Robotics Teams Rise to the Challenge

In its inaugural year, CMSD launched 14 middle school robotics teams with plans to grow to 20 teams in the 2025-26 school year. Both Valley View Boys' and Douglas MacArthur Girls' Leadership Academies made history by competing at the State Robotics Championship against high school teams and placing 19th and 20th out of 36 teams. These young innovators are paving the way for a bright future in STEM.

Action Against Gun Violence

Miles Park PreK-8 School

Miles Park scholars participated in the National Day Against Gun Violence by taking a powerful pledge against violence and promoting safety in their community. The event emphasized awareness, responsibility, and advocacy, empowering students to lead positive change. Through their actions, these young leaders showed their commitment to building a safer, more informed, and peaceful future.
