TRANSLATION & INTERPRETATION SERVICES POLICY

(Revised August 2021)

School Level Translations & Interpretations Process

The CMSD policy for providing parents bilingual interpreter/ translation support by district employees is as follows as per Ohio Civil Rights action OCR Docket 15-08-1276:

Parents in need of interpreter/translation support can also be identified on E-School Plus on the summary page and the Cle-LEP screen. Please pay close attention to both the Home and Native Language sections. If either one is not English, then an oral interpreter is required.

Translations or Interpretations are provided by bilingual administrators, teachers, and or bilingual classified instructional aides. Parents identified on the LEP Parents Assistance Roster will be provided interpretation support during all parent conferences, IEP or ETR conferences, and parent meetings.

Principals with Multilingual Education Support Staff should ensure that staff assigned to the school is available to support parents during all conferences, or meetings. Principals of other schools should coordinate conferences or meetings with LEP parents, whenever possible, during dates and times itinerant bilingual education support staff are scheduled to the school.

All schools that need an interpreter of a language not spoken among the current school employees available, or do not have bilingual assigned staff at the school or office must contact the Multilingual Education Office to request services for an in-person or virtual interpreter at least *10-15 business days prior to meetings for IEP's*, *ETR's*, *504's*, *Behavioral*, *and SST*. For all other interpretation needs please refer to the District Phone Interpretation System.

Considering the complexity of providing and receiving interpretation services during a meeting please refer to the Oral Interpretations Meeting Guidelines under the School Level Translations and Interpretations Guide to accommodate all parties involved (school, parent, and interpreter).

For translations requests, Spanish and Arabic, services will be completed within 15-30 days upon date received. Please note that Low Incident Language Translation Requests will have a longer turn-around. In case of an emergency, email or call the Multilingual Office and we will make every effort to accommodate your needs. All requests need to be submitted to our subdivision email Translations_Interpretations@ClevelandMetroSchools.org. If you have any questions, please contact Maribelle Guzman, Translations & Interpretations Manager at 216-838-6981 or our Translations & Interpretations Specialists, Mr. Kaleb Garcia 216-838-6979 or Mrs. Kimberly Berrios 216-838-6977.

All documentation related to requesting or providing interpretation services are in a hybrid and bilingual format (e.g. Spanish/Eng., Arabic/Eng., Swahili/Eng.); forms can be completed electronically for virtual meetings or printed out and completed by hand for meetings that are held in person. A signature is REQUIRED on ALL forms by the Principal, Administrator, Department Administrator.

Oral Interpretation Meeting Guidelines

The Translations and Interpretations Subdivision provides interpretation services for in-person and/or virtual meetings. The following serve as a guide in the planning and performing of meetings.

- Cultural Sensitivity is imperative
 - O Being aware of and addressing the Parent's cultural needs as well as the social, emotional, and cognitive needs and abilities to better serve the individual and integrate them in the education of their child.
- When deciding on how to perform the meetings (**online app vs phone call**) consider the resources of the Parents. Not all families are able to use online apps and video calls. Standard phone calls are the easiest way.
- Send a draft of the document prior to the meeting to aid the interpreter.
- All members of the meeting team must be prepared at the time of the meeting. Time spent waiting
 equals resources wasted.
- Keep information to the point and simple
- Summarize main points
- Remember to pause and allow for interpretation
- Only one person at the time should speak and avoid side conversations that interfere with the interpretation.
- Direct all information to the parent
- Keep the duration of the meeting to a reasonable time (during high demand seasons meetings should limit to a 45 min timeframe); two-time limit warnings will be provided.
- Translations/Interpretation specialist can intervene if the interpretation services are abused or improperly used (2 warnings will be given)
