Cleveland, OH 44144-1883

Dear Lincoln-West Campus Family,

I am excited to share the news that planning and design activities for the NEW Lincoln-West High School Campus are under way. The former Garrett Morgan school building will serve as temporary space for Lincoln-West students during the project's construction, which is scheduled to begin in 2024 and be completed in August 2026. The new \$33 million school will be constructed on the site of the current school.

Construction of the new Lincoln-West High School Campus is among four new school projects funded by the Ohio Facilities Construction Commission and a bond issue that Cleveland voters approved in 2014. Segment 8 of the construction and renovation program also includes a new Clark PreK-8 School, a new PreK-8 Marion C. Seltzer School, and a full renovation of Joseph M. Gallagher School.

To help you learn more about these projects, we have scheduled meetings where school families, residents and other stakeholders can meet the architects and provide input on traffic circulation and exterior design. I invite you to attend any of the following meetings in person, or participate virtually, using a link that will be posted at ClevelandMetroSchools.org.

Segment 8 – Kickoff Meetings

Thursday, March 10 @ 6:00 pm Joseph M. Gallagher School (6601 Franklin Blvd)

Saturday, March 12 @ 11:30 am Clark School (Meeting at Lincoln-West Campus, 3202 W 30th St)

Saturday, March 12 @ 1:30 pm Lincoln-West High School Campus (3202 W 30th St)

Tuesday, March 15 @ 6:00pm Marion C. Seltzer School (1468 W 98th St)

The community can follow construction activity, provide feedback or ask questions by visiting ClevelandMetroSchools.org/Segment8, a webpage that will be launched this month.

We look forward to continuing to invest in our scholars and school buildings. Thank you, in advance, for your engagement and patience while these improvements are being made.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric S. Gordon".

Para los Padres o Representantes del estudiante de CMSD en:
2828 Washington Ave # 688
Cleveland, OH 44113-2611

Estimadas familias de Lincoln-West,

Me alegro compartir que la planificación y el diseño del NUEVO Lincoln-West High School Campus ya están en marcha. Durante la fase de construcción, prevista para comenzar en 2024 y terminar en agosto del 2026, los estudiantes de Lincoln-West asistirán a la escuela en el viejo edificio de Garrett Morgan. Esta nueva escuela de \$33 millones de dólares se construirá en el mismo solar donde se encuentra la escuela actual.

La construcción del nuevo Lincoln-West High School Campus es uno de cuatro proyectos de construcción de nuevas escuelas financiados por la Comisión de Construcción de Instalaciones de Ohio y un impuesto que los votantes de Cleveland aprobaron en 2014. El Segmento 8 del programa de construcción y renovación también incluye una nueva escuela Clark Preescolar-8º, una nueva escuela Marion C. Seltzer Preescolar-8º y la renovación completa de la escuela Joseph M. Gallagher.

Con el fin de que aprenda más sobre estos proyectos, hemos programado las siguientes reuniones donde familias, miembros de la comunidad y otras partes interesadas pueden conocer a los arquitectos y dar su aporte sobre la circulación del tráfico y el diseño del exterior. Le invito a asistir a cualquier de las reuniones en persona o virtualmente, a través de un enlace que podrá encontrar en ClevelandMetrosSchools.org.

Segmento 8 – Reuniones de inauguración

jueves, 10 de marzo @ 6:00pm Joseph M. Gallagher School (6601 Franklin Blvd)

sábado, 12 de marzo @11:30am Clark School (en Lincoln-West Campus, 3202 W 30th St)

sábado, 12 de marzo @ 1:30pm Lincoln-West High School Campus (3202 W 30th St)

martes, 15 de marzo @6:00pm Marion C. Seltzer School (1468 W 98th St)

La comunidad puede seguir el progreso de la construcción, comentar o hacer preguntas en ClevelandMetroSchools.org/Segment8, una página web que lanzaremos este mes.

Esperamos seguir invirtiendo en nuestros estudiantes y en nuestras escuelas. Gracias de antemano por su participación y paciencia mientras se hagan estos mejoramientos.

Atentamente,

Eric S. Gordon
Director general
