

School Parent and Family Engagement Policy

School Year 2024-2025

In support of strengthening student academic achievement, **Cleveland Metropolitan Remote High School** receives Title I, Part A funds and therefore must jointly develop with, agree on with, and distribute to parents and family members of participating children a parent and family engagement policy (written or posted on school website), agreed on by such parents and family members, that shall describe the means of carrying out the requirements of the Every Students Succeeds Act (ESSA) Section 1116. Parents and family members shall be notified of the policy in an understandable and uniform format and, to the extent practicable, provided in a language the parents and family members can understand. Such policy shall be made available to the local community and updated periodically to meet the changing needs of the parents, family members, and the school. The policy establishes the school's expectations for parent and family engagement and describes how the school will implement several specific parental and family engagement activities.

Cleveland Metropolitan Remote High School understands that parent and family engagement mean the participation of parents and families in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- Parents and families play an integral role in assisting their child's learning
- Parents and families are encouraged to be actively involved in their child's education at school
- Parents and families are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child

Cleveland Metropolitan Remote High School agrees to implement the following requirements as outlined by ESSA Section 1116:
