

Welcome Back!

Excited for a new school year. ★

Welcome back Cleveland Metro Remote K8 families and caregivers. For those of you that don't know. I am your parent Ambassador India Jones. I have been working this role since the 2022-23 school year. I have two scholars attending the school, a fourth grader and a kindergartner. I am so excited to be embarking on a new school year with all of you.

My role as Parent Ambassador is to assist the school in all family engagement efforts. I am also here to assist parents and caregivers and facilitate a parent advisory committee. I look forward to getting in touch with you throughout the school year.

This Month

Open House September 12th

Make sure you join us for Open House this year. It's virtual and we will be meeting on Zoom. Talk with teachers and our school administration and get your big questions answered now.

Attending open house is very important to

learning more about what to expect for the school year. It's a look at what our school community does and what it's like to be a part of our school community.

Attendance Counts!

September is Attendance Awareness Month

Attendance is important to a scholar's academic success. Attending class each day ensures that a student is learning what they should learn.

At the Remote School, students should attend class daily. Monday through Friday from 8 am to 2:30 pm. Our asynchronous day is Monday and Tuesday-Friday are live class days. Asynchronous days are not off days, but independent work days. Students attend the morning meeting and complete assignments.

Attendance is taken by the hour not the day. Meaning that any minutes or hours a child is tardy or not in class, it counts towards their attendance and the time adds up. If a child misses 30 minutes a day of school, then that adds up to 2 and half hours of school. An hour a day is 5 hours missed.

Step up and support our kids! Join the district September 21st at 10 am in a community walk and rally to increase students attendance, community engagement and show our kids that we support thier academic success.

PAC

The Parent Advisory Committee

At the end of last school year, I created a survey and it was distributed to parents and caregivers. I wanted to know who was interested in being a member of our school's parent advisory committee. This year we

will be holding monthly parent meetings this school year. Be on the lookout for the calendar this year.

COMMITTEE MISSION:

"WE ARE A GROUP OF VOLUNTEER PARENTS WHO REPRESENT THE INTERESTS OF THE SCHOOL COMMUNITY AND PROVIDE A VALUABLE BRIDGE BETWEEN THE SCHOOL AND THE FAMILIES IT SERVES."

Thank you for
reading!
